## ABOUT

Studying interface design in the New Media Arts program at Kapi'olani Community College, I am building my skills in graphic design and visual communication. I am currently seeking internship opportunities to gain more experience producing creative and effective designs for clients.

## EXPERIENCE

*Freelance Logo Design | March 2024*

- Collaborated with client to create logo design for a new Japanese miso product.
- Adapted client needs, providing creative solution with clear communication.
- Used expertise in visual element for food, typography, balance of illustration.

*Waikiki Aquarium Internship | Oct - Dec 2025*

- Time and task management
- Handled production processes by adapting to individual requests and specifications.

## EDUCATION

*Kapi'olani Community College*

- Associate in Liberal Arts  
August 2021–August 2023
- Associate in New Media Arts, Interface Design  
August 2024–May 2026 (Expected Graduation)
